## DRIVE BEFORE YOU BUY

Why have fleets across the U.S. switched to Orange EV pure-electric yard trucks? Find out first-hand with the Orange EV Demo Program. Put the T-Series into action at your facility to meet the demands of your site and duty cycle.

### Built for You

Offering a range of configurations, we design each truck to meet site-specific requirements while managing cost.

### Reduce Costs

Save up to 90% on fuel, increase uptime with more reliable trucks, and completely eliminate diesel-related costs.

### Better for Drivers

The truck of choice for drivers, the T-Series is safer, cooler, smoother, quieter, and cleaner to operate.

## FLEETS CHOOSE ORANGE EV

Orange EV is proven and preferred by drivers and management alike. Experience the Orange EV difference. Schedule a demo today.
