SERVICES

We deliver world-class engineering, scientific and consulting capabilities

CONSULTING & ADVISORY

- ▶ Strategic consulting
- ▶ Technical consulting
- ▶ Policy, Advisory & Sustainability
- ▶ Technical insights & analysis

DESIGN & ENGINEERING

- ▶ Product engineering
- ▶ Systems integration
- ▶ System design & analysis
- ▶ Product design & development

DIGITAL

- ▶ Machine learning & AI
- ▶ Web & IOT solutions
- ▶ Digital resilience
- ▶ Software development & applications

PROGRAM MANAGEMENT

- ▶ Lifecycle logistics
- ▶ Project delivery
- ▶ Asset management
- ▶ Operations & maintenance

TESTING & CERTIFICATION

- ▶ Safety assessment
- ▶ Independent assurance
- ▶ Product testing & certification
- ▶ Calibrations, verification & validation

NICHE MANUFACTURING

- ▶ Precision manufacturing
- ▶ Advanced assembly
- ▶ Supply chain management
- ▶ Special vehicle prototype and assembly
